## 1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2024 to 2025](#) published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents/carers in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

## 4. Use of the grant

Decisions are made based on best practice and impact research evidence drawn from the [guide published by the Education Endowment Foundation \(EEF\)](#)

- Support the quality of teaching, such as staff professional development;

School employs a Speech and Language Specialist to support individual children and staff delivering in class as part of QfT. ECTs are provide with core mentoring support from the leadership team to ensure high quality professional development meets the needs of our disadvantaged children. Training in particular for core subject leaders is cascaded to all in regular staff meetings to facilitate continuous improvement for all staff and teachers.

- Provide targeted academic support, such as tutoring;

School employs a Speech and Language Specialist to support individual children. Regular progress meetings with SENCO and SLT facilitate clear class intervention plans for all disadvantaged children with teaching assistants and teachers.

- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches' as outlined above.

- We consider the context of the school and the main challenges or barriers our disadvantaged and vulnerable pupils face as detailed in the Pupil Premium Strategy.
- We use evidence, such as learning from what works in our school, to inform future decisions on pupil premium spending
- We address a wide range of needs, and take group and individual needs into account
- We engage with parents/carers to take their views on their child's needs into account
- We make sure we use pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for your pupils, based on evidence)
- We Integrate pupil premium interventions into the curriculum to benefit all

Some examples of how our school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants (TAs)
- Running catch-up sessions before or after school (for example, for children who need extra help with Maths or English)
- Funding educational trips and visits
- Funding English classes for children who speak another language

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals (FSM) at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

### 5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted

## 5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
