World Book Day

What a day of fantastic outfits! There are even more photos of the children and adults on the next page...And more on Class Dojo! 😊

Mystery Readers WANTED

Sign up to be a Mystery Reader by letting your child's teacher know on Class Dojo. The teacher will allocate you a date and time for when you can come in to your child's classroom and surprise them with a story!

You will read the story out loud to the whole class - don't panic, the teachers will be with you! It should take no more than 20 minutes of your time and will always be at 2:45pm so you can add it to your school pick up... 😊
