Goodbyes

Sadly, as we come to the end of term we have to say goodbye to a few of our *wonderful teachers* as they move on to pastures new.

First of all, we say goodbye to Mrs Greenwood who has been with us over 10 years and is heading off into retirement at the end of term. We wish her lots of happiness in her new life.

Miss Wade also leaves us having been with us since qualifying as a teacher! She is returning to the school where she grew up! 😊

And finally, we will be saying goodbye to Miss Asghar and Miss Javaid at the end of term as they too move on to new challenges. **We wish them all the very best in the next stage of their careers and thank them for everything they have done at Castercliff.**

Parking

Could we please ask again that parents do not block the driveways of local residents. Parents are leaving their cars for several minutes to drop off, blocking residents from being able to leave for work or even get to medical appointments.

Local PCSOs will also be patrolling as much as possible to address parking issues.

There are plenty of parking spaces down by the park where cars can be parked without causing distress to residents and children can be walked the final hundred yards to school. We thank you for your understanding.

Summer Fair

Thank you to everyone who came and supported us at the summer fair last week. It was a lovely occasion and helped raise over £2000 for school funds.

Thank you to Miss Pearson and our wonderful PTA for organising us all.

KS2 Sports Day

We will try another day for our KS2 Sports Day – fingers crossed for the weather this time! The date is the afternoon of Monday 20th July. More info soon.

Welcome Back

As we say goodbye to some staff, we also say welcome back to others. Miss Lees has recently returned from maternity leave, and Miss Nutter will also return on Monday 20th from her maternity leave. We are looking forward to having them both back ready for the new academic year. 😊
