

## Castercliff Primary Academy – Year 3 Geography Progression.

Yr 3	Geographical Skills: Enquiry and Investigation	Geographical Skills: Fieldwork	Geographical Skills: Interpret a Range of Sources of Geographical Information	Geographical Skills: Communicate Geographical Information
<b>Geography Skills</b>	Ask and answer more searching geographical questions when investigating different places and environments. Identify similarities, differences and patterns when comparing places and features.	Observe, record, and name geographical features in their local environments	Use a range of sources including digital maps, atlases, globes and satellite images to research and present geographical information. Use the eight compass points and recognise some Ordnance Survey symbols on maps.	Express their opinions on environmental issues and recognise how people can affect the environment both positively and negatively. Communicate geographical information through a range of methods including the use of ICT
	<b>Locational Knowledge</b>	<b>Place Knowledge</b>	<b>Human and Physical Geography</b>	<b>Skills and Fieldwork</b>
<b>Geography Knowledge</b>	Know the names of and locate at least eight European countries (Spain, Italy, Greece, France, Germany, Netherlands, Norway, Sweden, Russia, Denmark) Know the names of and locate at least eight counties (Lancashire, Cumbria, Cheshire, North Yorkshire, West Yorkshire, South Yorkshire, Merseyside, Greater Manchester) and at least six cities in England (Manchester, Liverpool, York, Lancaster, Leeds, Chester)	Know at least five differences between living in the UK and a Mediterranean country (Italy)	Know what causes an earthquake Label the different parts of a volcano Know and label the main features of a river Know the name of and locate a number of the world's longest rivers (Nile, Amazon, Yangtze, Mississippi) Know the names of a number of the world's highest mountains (Everest, K2, Kangchenjunga, Lhotse) Explain the features of a water cycle Know why most cities are located by a river	Use maps to locate European countries and capitals (capitals of Spain, Italy, Greece, France, Germany, Netherlands, Norway, Sweden, Denmark, Russia) Know and name the eight points of a compass

## Castercliff Primary Academy – Year 3 Geography Progression.

### Sticky Knowledge

- Know the names of, and locate, at least eight European countries (Spain, Italy, Greece, France, Germany, Netherlands, Norway, Sweden, Russia, Denmark)
- Use maps to locate European countries and capitals. (capitals of Spain, Italy, Greece, France, Germany, Netherlands, Norway, Sweden, Denmark, Russia)
- Know the names of, and locate, at least eight counties and at least six cities in England (Lancashire, Cumbria, Cheshire, North Yorkshire, West Yorkshire, South Yorkshire, Merseyside, Greater Manchester) (Manchester, Liverpool, York, Lancaster, Leeds, Chester)
- Know at least five differences between living in the UK and a Mediterranean country (Italy)
- Know what causes an earthquake (tectonic plate shift & faults)
- Label the different parts of a volcano (Magma, Lava flow, Magma Chamber, Vent, Conduit, Ash Cloud, Volcanic Bombs, Crater, Secondary Vent)
- Know and label the main features of a river (mouth, source, channel, tributary, meander, waterfall, stream, floodplain, bank, basin)
- Know why most cities are located by a river (transport, resources, fertile land, defence)
- Know the name of, and locate, a number of the world's longest rivers (Nile, Amazon, Yangtze, Mississippi)
- Know the names of a number of the world's highest mountains (Everest, K2, Kangchenjunga, Lhotse)
- Explain the features of a water cycle (Precipitation, Evaporation, Infiltration, Percolation, Transpiration, Surface Run Off, Groundwater)
