

Castercliff Primary Academy – Year 6 Geography Progression.

Yr 6	Geographical Skills: Enquiry and Investigation		Geographical Skills: Fieldwork	Geographical Skills: Interpret a Range of Sources of Geographical Information	Geographical Skills: Communicate Geographical Information
Geography Skills	Ask and respond to questions that are more causal e.g. What happened in the past to cause that? How is it likely to change in the future? Make predictions and test simple hypotheses about people, places and geographical issues.		Use a range of numerical and quantitative skills to analyse, interpret and present data collected from fieldwork observations, measurements and recordings.	Interpret a wider range of geographical information and maps including scale, projections, thematic, and digital maps. Recognise an increasing range of Ordnance Survey symbols on maps and locate features using six-figure grid references.	Develop their views and attitudes to critically evaluate responses to local geographical issues or global issues and events. Communicate geographical information using a wide range of methods including writing at increasing length.
	Locational Knowledge	Place Knowledge	Human and Physical Geography		Skills and Fieldwork
Geography Knowledge			Know the names of and locate some of the world's deserts (Antarctica, Arctic, Sahara, Arabian, Gobi, Patagonian) Know why industrial areas and ports are important (Liverpool) Know what is meant by biomes and what are the features of a specific biome (Deserts – Hot & Cold, Temperate Woodland, Taiga)		Use Google Earth to locate a country or place of interest Know what most of the Ordnance Survey symbols stand for Know how to use six-figure grid references Know how to use graphs to record features such as temperature or rainfall across the world
Sticky Knowledge	<ul style="list-style-type: none"> <input type="checkbox"/> Know what most of the Ordnance Survey symbols stand for <input type="checkbox"/> Know how to use six-figure grid references <input type="checkbox"/> Know why industrial areas and ports are important – Liverpool port for import and export <input type="checkbox"/> Use Google Earth to locate a country or place of interest. <input type="checkbox"/> Know the names of and locate some of the world's deserts (Antarctica, Arctic, Sahara, Arabian, Gobi, Patagonian)
